New York City.

Dear Friend:

I am writing to express to you my sincere thanks for your very gracious gesture in coming to Newark to open The 1940 Negro National League Baseball Season.

I hope you enjoyed yourself half as much as we all enjoyed having you. I have heard so many of the fans comment on how happy they were to see you.

I am enclosing you a schedule of our games at home to July 7th. If you can possibly find time to come over again, have some one call the office and I will arrange for you.

Again please accept the thanks of Mr. Manley, the Team and me.

Very truly yours,
